

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 718 - HB 798

March 23, 2015

SUMMARY OF BILL: Requires eligibility of intellectual and developmental disability services to be retained for a dependent of a military service member who is a legal resident of the state but may have left the state due to the military service member's assignment outside of the state. Requires intellectual and developmental disability services to resume upon the dependent's return and when services are requested if the dependent was receiving services at the time of departure based on the military service member's assignment.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Based on information provided by the Department of Intellectual and Developmental Disabilities (DIDD), it is assumed that conditions existing at the initial admission of the person into waiver funded services prior to leaving the state would exist upon the individual's return to the state.
- The individuals described in the proposed legislation would currently be able to retain services through the existing crisis qualification process; therefore, any fiscal impact is estimated to be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
